Notice

West Island Line Project – Pokfulam Road (Near Haking Wong Building, The University of Hong Kong) Temporary Traffic Management Scheme

To facilitate the construction of the West Island Line, from now on to 20 July 2010, temporary traffic arrangement will be implemented at Pokfulam Road near Haking Wong Building. The East Bound Fast Lane of Pok Fu Lam Road will be narrowed from 2 lanes to 1 lane whereas west bound lane will be temporarily narrowed from 2 lanes to 1 lane during non-peak hours (10:00 - 16:00) and will be resumed to 2 lanes for the rest of the period. Part of the footpath adjacent to the grand staircase of Haking Wong Building, The University of Hong Kong will be temporarily narrowed to facilitate the underground utility diversion.

Please rest assured that a proper pedestrian walkway will be maintained during the construction period. The contractor will be closely monitored on the construction method of which the impact will be kept to the minimum.

We apologise for any inconvenience caused. For enquires, please contact MTR Projects Hotline at 2993 3333.

Yours sincerely,

**Wong Chiu-yung (Ms)
Projects Communications Manager**
