The fees listed in this schedule are based on information available as on June 30, 2013 and the latest schedule of fees can be obtained from the Registry. Unless otherwise specified, the fees are applicable to candidates admitted in 2013-2014 and will remain valid throughout the normal duration of study of the programmes concerned. The Council may prescribe other fees, fines and charges, in accordance with General Regulation G17.

Unless otherwise specified, where the composition fee is payable on an annual basis, payment shall be by two equal instalments. For programmes with differential fees for local and non-local candidates, the classification shall be according to the definition laid down by the Government for tertiary institutions.

The fees, except those listed for non-local candidates, are for the 2013-2014 academic year only and may be revised for subsequent year(s) of study

⁴ The fees, except those listed for non-local candidates studying Master's degrees by coursework and for part-time students studying the Degree of Master of Philosophy, or Doctor of Philosophy, or Doctor of Legal Science, are for the 2013-2014 academic year only and may be revised for subsequent year(s) of study.

For candidates who transfer from the MPhil programme to the PhD programme (and *vice versa*), the composition fee will be calculated as follows:

MPhil to PhD: The period of study of such a student for the PhD degree shall be counted from the initial date of registration of the MPhil candidature. A PhD student transferred from an MPhil candidature shall be subject to a study period of 36 months (part-time 54 months) under the three-year programme and 48 months (part-time 72 months) under the four-year programme. The student shall pay the composition fee for this said period calculated from the initial date of registration of the MPhil degree.

PhD to MPhil: The period of study of such a student for the MPhil degree shall be counted from the initial date of registration of the PhD candidature. An MPhil student transferred from a PhD candidature shall be subject to a study period of 24 months (part-time 36 months) and pay the composition fees for this said period calculated from the initial date of registration of the PhD degree.

The fees are for the 2013-2014 academic year only and are subject to increase in subsequent year(s) of study.

The fees are for the 2013-2014 academic year only and may be revised for subsequent year(s) of study.

Payment of the Students' Union membership fee is compulsory for a candidate registered for a Bachelor's degree on a full-time basis. The fees are for the 2013-2014 academic year only and may be revised for subsequent year(s) of study.

The charges are for the 2013-2014 academic year only and are subject to increase in subsequent years.
