The fees listed in this schedule are based on information available as on June 30, 2004 and the latest schedule of fees can be obtained from the Registry. Unless specified otherwise, the fees are applicable to candidates admitted in 2004–2005 and will remain valid throughout the normal duration of study of the programmes concerned. The Council may prescribe other fees, fines and charges, in accordance with General Regulation G 17.

 $^{^2\,\,}$ Unless otherwise specified, where the composition fee is payable on an annual basis, payment shall be by two equal instalments.

³ The fees are for the 2004–2005 academic year only and may be revised for subsequent year(s) of study.

MPhil to PhD: The period of study of such a student for the PhD degree shall be counted from the initial date of registration of the MPhil candidature. A PhD student transferred from an MPhil candidature shall be subject to a study period of 36 months (part-time 54 months) for studying under the three-year programme and 48 months (part-time 72 months) for studying under the four-year programme. The student shall pay the composition fee for this said period calculated from the initial date of registration of the MPhil degree.

PhD to MPhil: The period of study of such a student for the MPhil degree shall be counted from the initial date of registration of the PhD candidature. An MPhil student transferred from a PhD candidature shall be subject to a study period of 24 months (part-time 36 months) and pay the composition fees for this said period calculated from the initial date of registration of the PhD degree.

¹ The fees are for the 2004–2005 academic year only and may be revised for subsequent year(s) of study.

For candidates who transfer from the MPhil programme to the PhD programme (and vice versa), the composition fee will be calculated as follows:

Master's by coursewo	rk
